January is the perfect time to treat yourself, so why not buy a unique work of art at the popular Mayfair event, now returning to the Westminster Ballroom after a three year absence. They offer for sale a vast range of stylish pieces, to include jewellery, traditional and contemporary paintings and sculpture, period furniture, rugs and carpets, clocks and vintage watches, early to modern glass and silver, English and Oriental ceramics, early Asian pottery, enamels, objects of vertu and many other desirable items spanning the centuries.
